Note to Parents about ordering AFTER Picture Day ...

Your picture order is being returned to you because it was not received at school on or before school picture day.

Picture order envelopes must be received at school, ON OR BEFORE Picture Day, as we mentioned on our picture flyer order envelopes. You may however, order ONLINE for up to two days after picture day. Just go to our website - [www.schphoto.net](http://www.schphoto.net) and use your school password which is shown on our picture flyer order forms. Or you may call our office and make arrangements.

Thank you,
